Dear [Redacted]

Thanks for your note. Unfortunately, we got nowhere on extra slot for FY 1987. Maybe FY 1988. Put a good word in for us if you get a chance.

Keep up the good work, nice feedback on your lectures. If I ever have a reason to go to Alabama.....

Sincerely

Dear [Redacted]

STAT

Herewith a copy of the informal "annual report" that I submit to the Agency by way of [Redacted] I've spelled out my activities in some detail both in order to stay on the record and because the Agency "input" here continues to expand.

STAT

How did you make out with [Redacted] on the extra slot? My sources still tell me that next year's class will be larger than this--and I suspect that State, as usual, will elect not to play. We might, then, have a pretty good shot.

You ought to wangle a trip down here. It's full blown Spring already.

See you soon.

Sincerely,
